

■ The PGO's Golf Passport

There are hundreds of golf courses in Pennsylvania; daily fees, resorts, and that 9-hole course where you learned to play. But how do you find the best value, food, scenery? Well, the Pennsylvania Golf Course Owners Association (PGO) can help. We are operators dedicated to growing golf and making it a fun activity for everyone.

The PGO offers our popular Golf Passport. It's a pass-book with specials at more than 250 courses throughout the mid-Atlantic region, offering at least one round at \$25 or less to ride! The values are unmatched by other products, and all Passport revenue helps the game thrive.

We have it all in PA: links golf at the 2010 and 2009 Courses of the Year, Wyncote and Honeybrook; scenery at

Olde Homestead; parkland golf at Fairview or Arrowhead; the resort flair at Whitetail Mtn; play a quick nine at Meadow Brook, or 18 and three eateries at Loch Nairn; or let's fly into Butter Valley Golfport. That's right, a landing strip along the fairways. For more details, come visit us at www.golfinpa.com. Or call 610-524-6054 for Golf Passport sales.
